

**JANUARY IS MEMBERSHIP RENEWAL TIME
 OLD IRON TRACTOR CLUB LLC (Est. 1999)
 Club Renewal / New Application Form**

A club established for persons interested in vintage tractors and implements and dedicated to the preservation of the early machines that redefined farming efficiency and set the pace of modern agriculture. Whether you own a tractor or just have an interest in "old iron", this club seeks to create a means of sharing information and furthering the enjoyment of vintage "tractoring".

You will be issued a club calendar featuring member-owned, local iron and you will also receive a periodic newsletter prepared with information actively obtained from members. The newsletter will contain interviews with members, feature working tractors, track restoration projects and generally will create a forum for sharing histories, information, experience(s), stories, memories, trials and tribulations. A schedule of events such as working demonstrations, parade attendance opportunities, shows and such will also be issued. Several club gatherings will be held.

In general, it is the goal of the club to promote the enjoyment of nostalgic farm machinery in an air of comradery. If this is of interest to you or someone you know, please fill out or pass along the membership application and brief questionnaire provided below.

Club Membership Dues: \$30.00 Annually (January Renewal). (Junior Members <16 yrs. of Age @ \$12.00)

Old Iron Tractor Club LLC Membership Application
